<b>RDP175</b>	Rodalong - 6mm diameter - 175mtrs
<b>RDP200</b>	Rodalong - 6mm diameter - 200mtrs
<b>RDP225</b>	Rodalong - 6mm diameter - 225mtrs
<b>RDP250</b>	Rodalong - 6mm diameter - 250mtrs

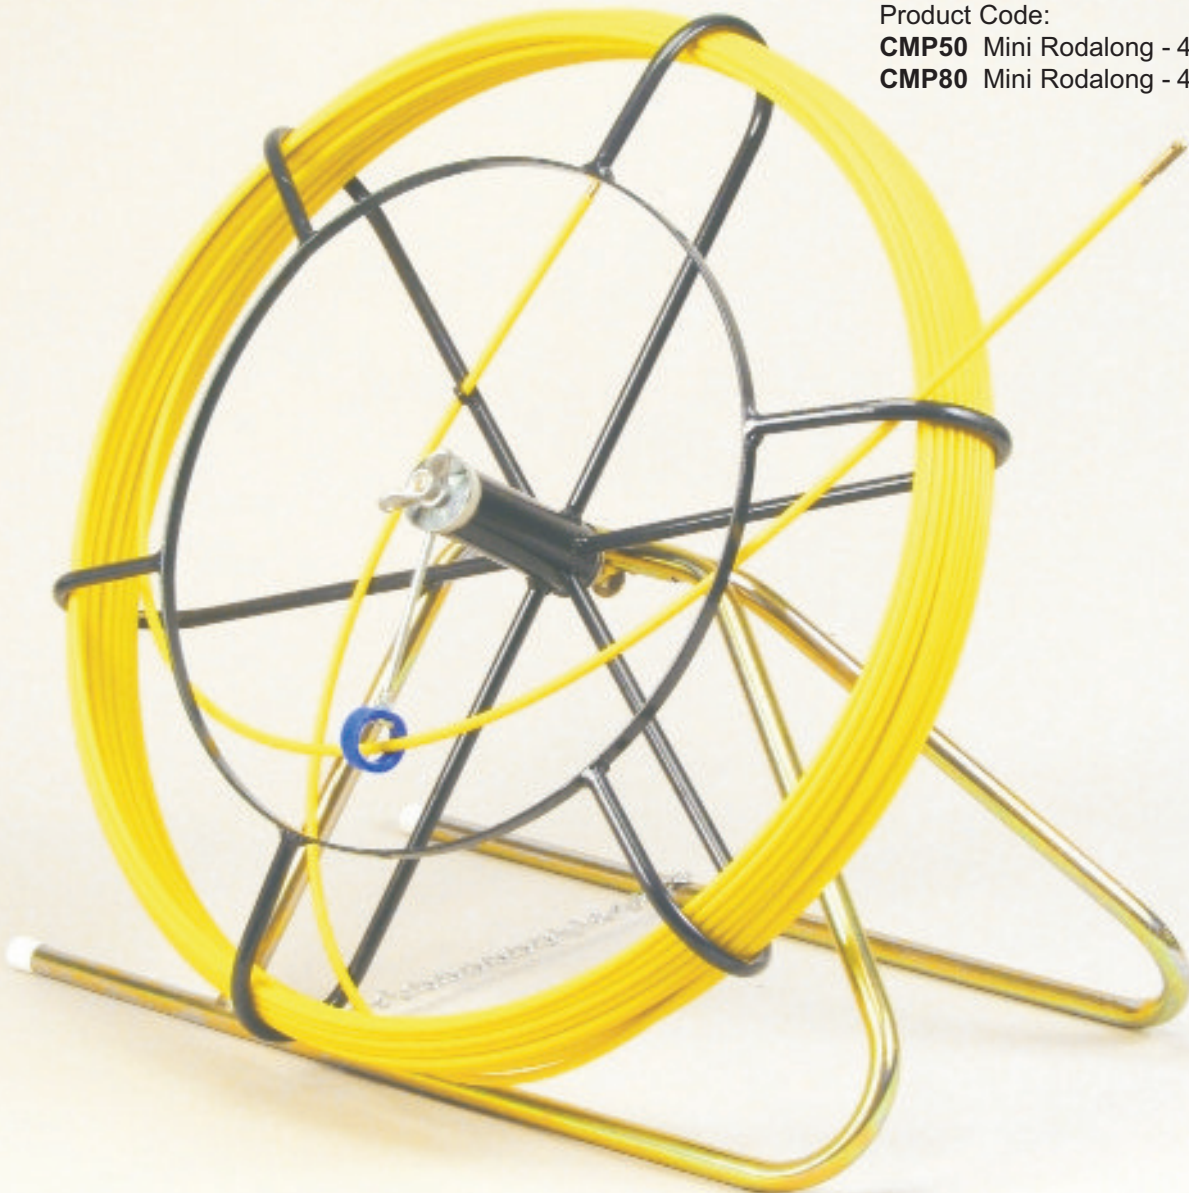

## Mini Rodalong - 36cm high

Product Code:

**CMP50** Mini Rodalong - 4mm diameter - 50mtrs

**CMP80** Mini Rodalong - 4mm diameter - 80mtrs

# CONTINUOUS ELECTRICAL CONDUIT ROD

- Perfect for feeding through electrical conduit (large or small), fibre optic inner duct and T-bar ceilings.
- Polypropylene coated to eliminate splintering, it also lubricates the rod.
- Easy to use braking system to control dispensing speed.
- Bright yellow, non metal/non conductive rods protect delicate wires.
- Handle on carrier makes rewinding or recoiling of extended rod an ease.
- Standard Rodalong uses all accessories available with our Push Pull rods plus new additional attachments.
- Standard Rodalong comes with a metal carrier (when folded is 230mm wide), bullet tip and cord grip.
- Standard Rodalong is available from 50mtrs up to 250mtrs (in increments of 25mtrs).
- Mini Rodalong is easy to carry and comes with die-cast carrier, bullet tip and cord grip.
- Mini Rodalong is available in two lengths - 50mtrs and 80mtrs.

Accessories below are compatible with the regular 6mm Rodalong only:

**Grabit Hook (Self-Directional)**

Product Code: **PPG6**

**Magnet Locator (Rare Earth)**

Product Code: **PPM6**

**Pulling Eye**

Product Code: **PPE6**

**Pulling Sock**

Product Code: **PPS6**

**Standard Hook**

Product Code: **PPH6**

**Bullet Tip**

Product Code: **PPB6**

**Universal Tip**

Product Code: **PPU6**

**Hook Wire (All purpose)**

Product Code: **PPA6**

**Whisk**

Product Code: **PPW6**

**Pulling Eye with 75mm Flexible Extension**

Product Code: **PPF6**

**Magnet with 75mm Flexible Extension**

Product Code: **PPFM**

**LED Light Tip**

Product Code: **PPL**

Consider adding the PPU6 Rotating attachment and pulling sock.
