Cirqlate

Umblical Cable Managment

CMS Cirqlate is specifically designed for cable protection when bringing power and data cables from the floor to the work surface. It comprises three separate compartments for cable distribution. Because all components clip together simply, on-site adjustment is easy and quick by the addition or removal of extra pieces. When used from the floor to the desk, Cirqlate provides an attractive and flexible solution for cable distribution. The delivered product comprises of the Cirqlate itself, a floor foot and a screw fixing anchor for the top. CMS Cirqlate easily provides all the power and data capacity you require all in one neat and attractive solution.
