

ECHO SERIES

In-Desk Module

ECHO SERIES

In Desk Solutions

CMS Echo series delivers the latest charging technology to empower engaging and connected spaces within the commercial workplace, integrating into personal workstations, soft-seating and collaborative spaces.

Echo is available in 3 shell sizes, Single, Duo and Trio, describing the number of modules each shell can accommodate. Echo can be equipped with any combination of USB A/C Charging, Wireless Charging and standard Power.

The module has a shallow depth of 46mm, with easy top-side installation without fastening from the bottom.

Colours Available

 White  Black
