HELIPAD

Modular & Integrated Wireless Charger

The Helipad is the latest addition to our technology range, featuring an adjustable wireless charging pad designed for multiple phones. It provides 15W output and is compatible with MAGSAFE® products of Apple Inc, delivering convenient and seamless charging.

Helipad designed to integrate effortlessly with Nova and Viva Power Rails, allowing for the addition of services such as Power and USB Fast Charging. This makes it a versatile and efficient solution for modern workspaces.

Colours Available

White Black

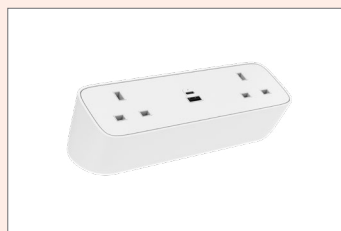

Key Features

- » Powerful 15W Wireless Fast-Charging output.
- » Compatible with Wireless Enabled Charging devices such as Apple iPhones and Samsungs.
- » Integration with Nova or Viva Power Rails enable additional services to be specified like Power and USB Fast Charging.

Combine with:

Nova Power Rail

Viva Power Rail
