# About CMS

**CMS Electracom is an Australasian global leader supplying innovative wiring solutions to commercial and industrial applications.**

CMS Electracom commenced business in 1979 supplying custom made cable harnesses and wiring assemblies for the data and electrical industry.

Our head office and modern manufacturing facility is located in the Melbourne suburb of Dandenong. Combined with sales operations in Sydney, Brisbane, Perth, New Zealand, UK, and an Australasian wide distribution network.

We have, over recent years been expanding our range of electrical products used in the commercial building sector and are committed to continued expansion in this area. CMS offers you a wealth of expertise in softwiring and power solutions for commercial buildings, and the flexibility of customisation to assist in fulfilling any special requirements you may have.
