

SW18 - INTRO

CMS Electracom proudly introduces a fresh face to the softwiring market with the introduction of our SW18 series range of service outlets.

The SW18 series is the latest generation of socket outlet designed by CMS Electracom. Softwiring couplers complying to the AS/NZS61535.1:2003 connector standard are integrated into the moulding. They comply with IP4X and hence there is no requirement to use safety end caps or tool only removable connectors.

The SW18 series offers significant installation benefits as no tools are required for thin or thick panel mounting. This speed of installation offers excellent labour savings. The SW18 series is a 10amp double pole, auto switched outlet. The SW18 series is covered by the Energy Safe Certificate.

- Double pole auto switched unit
- No tools required to install in duct or panel mount, making site installation very fast and cost effective
- Requires one cut out for thick or thin panel mounting
- Colours available: black, white, red and silver – other colours on request
- Slim and compact 2 socket outlet design (only 18.5mm from under face plate)
- Integral soft wiring connectors complete with moulded latches, comply with the new connector standard AS/NZS/61535.1:2003
- Mounting options include: thin panel (up to 2mm thick), thick panel (greater than 2mm thick), din rail mounting, duct mounting or free standing

SW18 - DOUBLE GPO

For thick & thin panel mounting

SOME OF THE FEATURES INCLUDE:

- SW1802 & SW1802R Standard module will snap directly into panel cut-out up to 1-2mm thick
- SW1812 & SW1812R Standard module will snap into panel greater than 2mm thick
- Standard GPO colours are Black, White, Silver and Red (others by request)
- 2 x double pole auto switched socket outlet

CUT OUT SIZES:

- SW1802 - 130.5mm x 41.3mm
- SW1802R - 130.5mm x 41.3mm
- SW1812 - 190.0mm x 55.5mm

ORDERING INFORMATION	
PART NO.	DESCRIPTION
SW1802**	Dual auto switched power module
SW1802R**	Rotated dual auto switched power module
SW1812**	Dual auto switched power module mounted in thick panel bracket
SW1812R**	Rotated dual auto switched power module mounted in thick panel bracket
FM2#	Thick panel bracket for SW1702 power module 2-9mm
FM2A#	Thick panel bracket for SW1702 power module 2-12mm

PLEASE CALL US FOR THE MOST UP TO DATE SPECIFICATIONS AND PRICING

Notes:

- Standard colours are Black, White, Silver and Red (others by request)
- **Denotes socket colour: BK (black), WT (white), SL (silver), RD (red)
- #Denotes bracket colour: BK (black), WT (white), SL (silver)

SW18 - DOUBLE GPO

Round earth pin & switched GPO

SW1802A

SW18S02

SOME OF THE FEATURES INCLUDE:

- Standard module will snap directly into panel cut-out up to 2mm thick
- Standard GPO colours are Black, White, Silver and Red (others by request)
- **SW1802A** - 2 x double pole round earth auto switched socket outlet
- **SW18S02**- 2 x switched socket outlet
- Compliant with AS/NZS61535. 1:2003

CUT OUT SIZES:

- **SW1802A** - 130.5mm x 41.5mm
- **SW18S02** - 181.0mm x 41.5mm
- **SW18S04** - 350mm x 41.5mm

Notes:

- Standard colours are Black, White, Silver and Red (others by request)
- **Denotes socket colour: BK (black), WT (white), SL (silver), RD (red)

SW18 - QUAD GPO

For thick & thin panel mounting

SW1804

SW1804R

FM4AP2RU**

SOME OF THE FEATURES INCLUDE:

- SW1804 & SW1804R Standard module will snap directly into panel cut-out up to 2mm thick
- SW1814 & SW1814R Standard module will snap into panel **greater** than 2mm thick
- Standard GPO colours are Black, White, Silver and Red (others by request)
- 4 x double pole auto switched socket outlet
- Compliant with AS/NZS61535. 1:2003

CUT OUT SIZES:

- SW1804 - 230.5mm x 41.5mm
- SW1804R - 230.5mm x 41.5mm
- SW1814 - 290.0mm x 55.5mm
- SW1814R - 290.0mm x 55.5mm
- FM4AP2RU - 290.0mm x 55.5mm

FM4

ORDERING INFORMATION

PART NO.	DESCRIPTION
SW1804**	Quad auto switched power module
SW1804R**	Rotated quad auto switched power module
SW1814**	Quad auto switched power module mounted in thick panel bracket
SW1814R**	Rotated quad auto switched power module mounted in thick panel bracket
FM4#	Thick panel bracket for SW1804 power module 2-9mm
FM4A#	Thick panel bracket for SW1804 power module 2-12mm
FM4AP2RU**	Thick panel bracket (FM4A) c/w Dual GPO rotated and 2.1amp Dual USB charger. Suits material thickness 2-12mm only
