# Wire Grid Series/Metal Tray
Easy Access Bracket

Our Easy Access Mounting Brackets have been designed to create that clutter-free work area. They can be used with our Wire Grid Extra & Wire Grid Super cable baskets along with our new Enclosed Metal Tray. Once the basket is locked in the up position, cables are tucked nicely away with the ability to pivot the basket or tray when access is required. The enclosed metal tray provides a dedicated cable management system for a clutter-free easy access environment.

Wire Grid Extra (100mm wide) & Super (150mm wide)

Enclosed Metal Tray

Mounting Brackets

» Under-Desk Fixing Bracket

» Basket/Tray Location Bracket

Colours Available

● Black ○ White

Key Features
