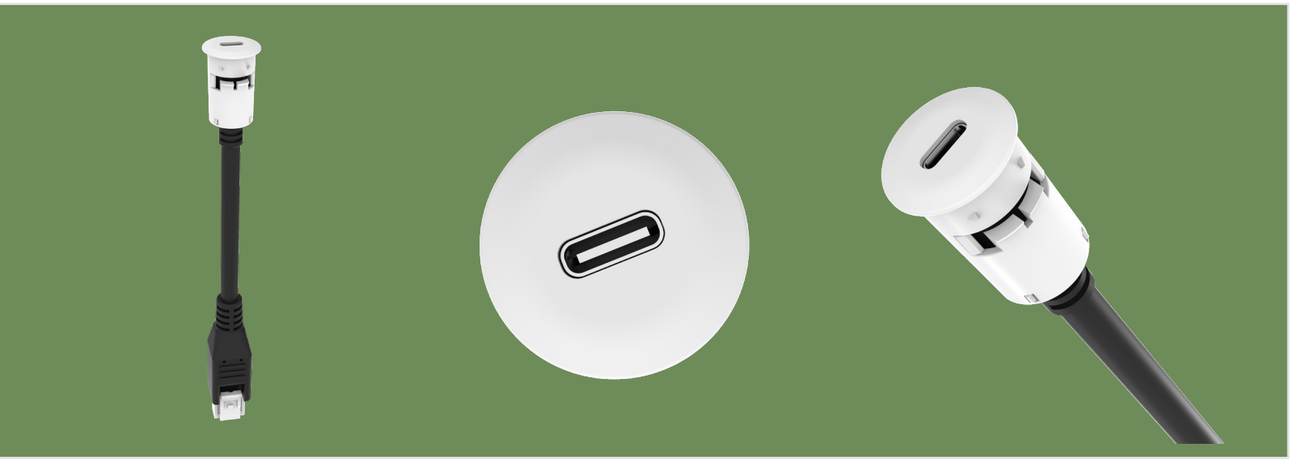
ATOM MINI

Compact Fast Charging USB-C Module

www.cmselectra.com



ATOM MINI

Tiny, Verstatile and Powerful

Atom Mini delivers up to 140W of USB-C Fast Charging in a minimalistic housing, designed to integrate seamlessly into loose furniture, workstations, collaborative and shared areas.

It features a simple design allowing installers to easily install it onsite or pre-delivery. Atom Mini is specialised to be used with our 30W, 65W, 100W, 118W and 140W Inline USB Modules, which would be installed underneath the desk, connected to our softwiring.

Colours Available

○ White ● Black

Key Features

- Provides up to 140W USB-C Fast Charging
- Can be installed in multiple areas including Loose Furniture, Workstations, Collaboration and Shared Spaces
- Small 19mm Installation hole from above the desk
- Perfect solution for providing high powered USB-C output while keeping the work area clutter free
