

FL Series

90mm Deep Floor Box

The CMS Apollo series floor box has been designed for maximum flexibility to suit client requirements, with standard off-the-shelf components catering for most applications. Incorporated in the stylish lid is an easy-grab lifting handle and cable exit cap, available in a range of options.

The box and mounting plate are constructed from powder coated steel producing a long lasting robust unit. Behind our communication mounting plates is a 50mm cavity catering for popular AV and communication requirements.

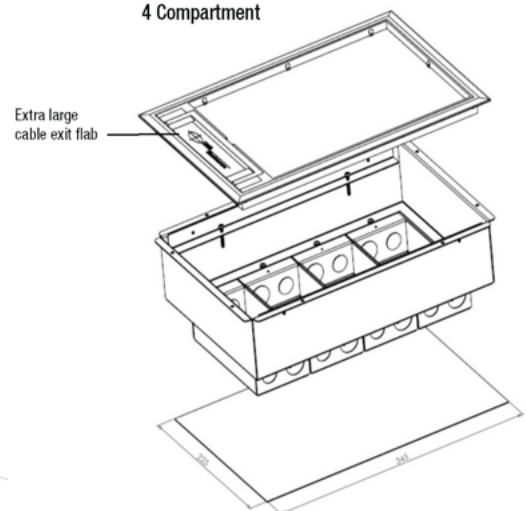

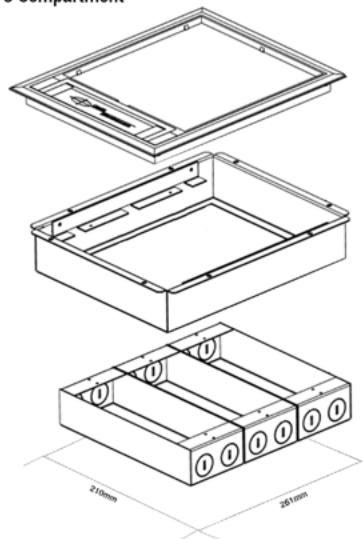

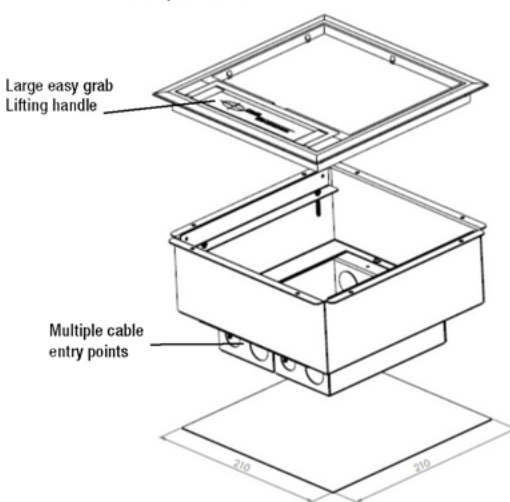

2 Compartment

3 Compartment

4 Compartment
