

FL Series

90mm Deep Floor Box

The CMS Apollo series floorbox has been designed for maximum flexibility to suit client requirements, with standard off the shelf component catering for most applications. Incorporated in the bevelled lid is an easy grab lifting handle and cable exit cap.

The box and mounting plate are constructed from powder coated steel producing a long lasting robust unit. Behind our communication mounting plates is a 50mm cavity catering for popular AV and communication requirements.

2 Compartment

3 Compartment

4 Compartment
