

QUANTUM HELISTAND

Integrated Wireless Charging Module

INTEGRATED WIRELESS CHARGING SOLUTION

Helistand is the latest addition to the diverse charging technology range designed for enterprise. Helistand incorporates powerful wireless fast charging with an industry leading 15W output. Helistand integrates with CMS Athena and Zeus

Helistand's modular design allows for other services to be combined into a CMS Above Desk Power Rail.

Combine with an Inline 30W USB-C+A Charger for versatile fast-charging options.

HELISTAND 15W FEATURES

- Powerful 15W wireless fast-charging output.
- Compatible with all wireless charging enabled Apple and Android devices.
- Integration with CMS Athena and Zeus power rails enable additional services to be specified like Power, USB-C Fast Charging and AV.
