VERO

Slim Design. Powerful Charging.

Vero delivers high-performance charging in a refined, slimline form. Featuring USB C-C Fast Charging up to 140W, in either 4-Gang or 8-Gang configurations, makes it ideal for modern meeting rooms, collaboration spaces and high-end boardrooms.

With its minimalist profile and premium metal finish, Vero blends seamlessly into modern interiors — offering powerful functionality without compromising on design.

ECHO

Elegant Power Solutions

Echo brings together elegant design and everyday functionality, offering a premium finish that complements sophisticated interiors. Available in Duo or Trio configurations, it delivers seamless access to Power and USB Fast Charging without compromising on aesthetics.

With its clean lines and high-end finish, Echo is the ideal solution for modern spaces that demand both performance and enhanced finish.

Echo

ATOM MINI

Compact Power. Maximum Output.

Don’t let its size fool you — the Atom Mini delivers serious performance in an ultra-compact form. Offering up to 140W of USB-C charging, it’s designed to power even the most demanding devices while occupying minimal space.

Its ultra-small footprint makes it ideal for modern spaces where discretion and efficiency are key.
