Wire Grid Series
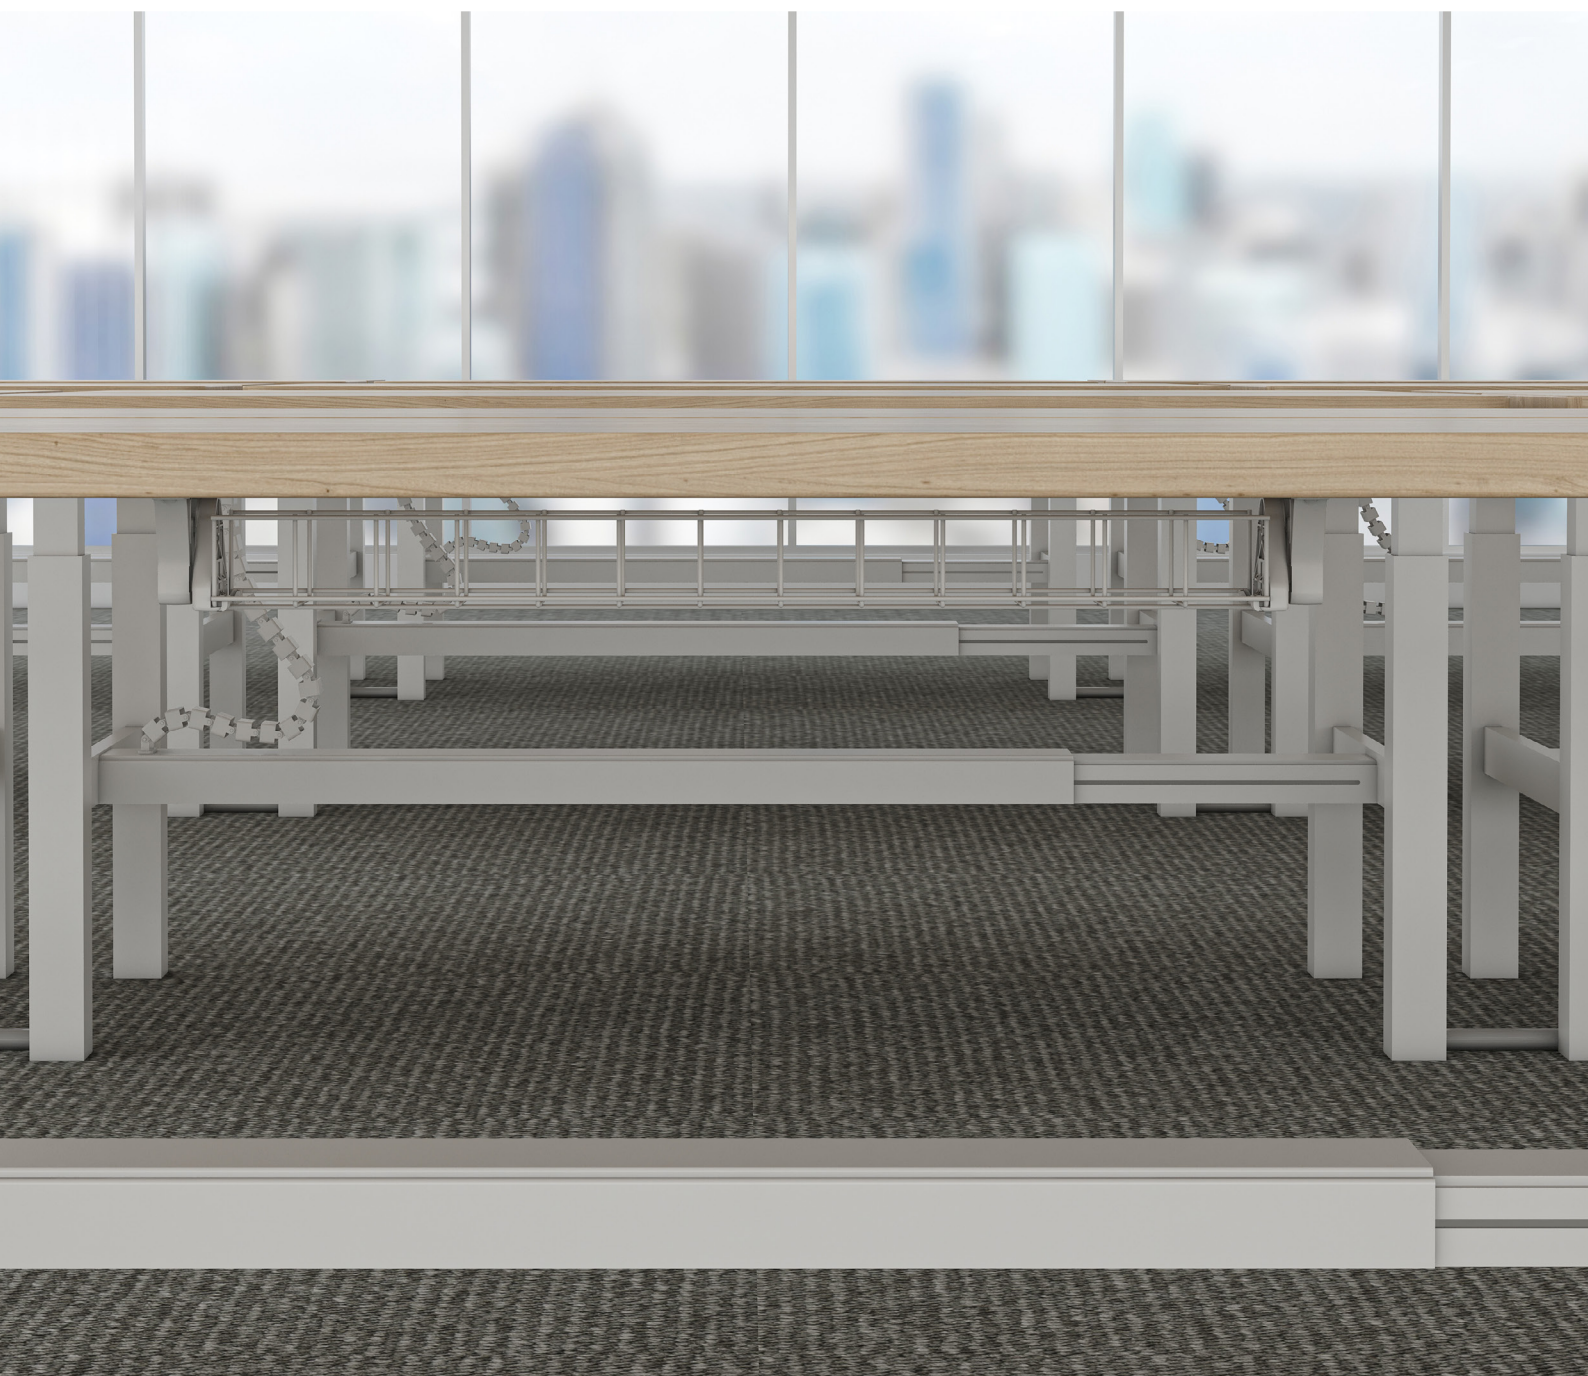

Cable Management Baskets
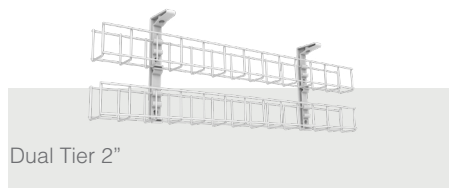

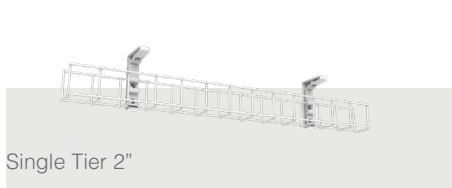

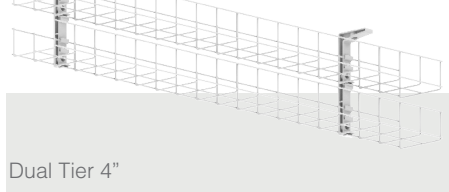

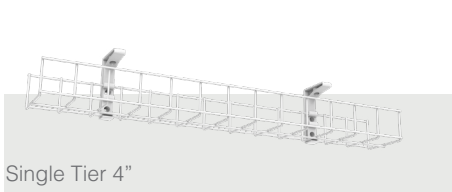

Wire Grid Series
Cable Management Baskets

Wire Grid series mounting brackets screw to the underside of the workstation or back into the modesty panel and allows the basket to 'snap' into the bracket. These baskets can also be cut to a custom length on site with the new plastic end caps available to tidy up the trimmed ends.

Standard 50mm

Single Tier 2"

Dual Tier 2"

Extra 100mm

Single Tier 4"

Dual Tier 4"
