# ATOM MINI

Compact Fast Charging USB-C Module

ATOM MINI

Tiny, Verstatile and Powerful

Atom Mini delivers up to 140W of USB-C Fast Charging in a minimalistic housing, designed to integrate seamlessly into workstations, collaborative and shared areas.
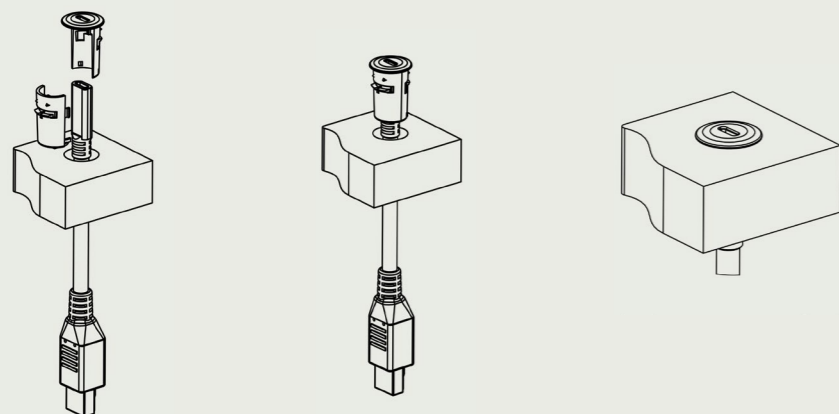

It features a simple design allowing installers to easily install it onsite or pre-delivery. Atom Mini is specialised to be used with our 30W to 140W USB Modules, which would be installed underneath the desk, connected to our softwiring.
