

ACCEDE

In-Desk Module

ACCEDE

In- Desk Module

The Accede Series combines sleek, modern design with practical functionality, making it the perfect fit for today's clean, de-cluttered workspaces. Its refined single-lid profile complements any environment while maintaining a minimalist aesthetic.

Designed for efficiency, the optional cable guide attachment ensures seamless cable management and a tidy workspace. Beneath the surface, Accede's undercarriage offers easy access to power outlets, USB fast-charging ports, and data connectivity, keeping users powered, connected, and productive throughout the day.

Colors Available

White Black

Key Features

- » Curved exterior profile
- » Dual cable exits, front and sides with additional attachments for cable guides
- » Integrated tablet device display stand (when lid is open)
- » Fully segregated for Power & USB Charging
- » Uncluttered work surface when power not required or while plugged in
- » Improved scalloped ends with add-on cable retraction bracket
- » Appliance cables exit through scalloped sides or through the centre brushed-strip
- » Dual Lids have brush strips to keep out dust and dirt
